21<sup>th</sup> August 2023

Dear Resident/Occupier,

We will soon be carrying out bridge repair works on **Kings Road, Comberton, Orleton**

Repair works will commence on Monday, 11th September 2023 to (and including) Friday, 3rd November 2023 under a full road closure (24/7)

When the road is closed, a diversion route will be signposted. The diversion will be via the Kings Road, Kitchen Hill Road, Millbrook Way, B4361, B4362, Kings Road and vice versa.

We have also included a map showing the extent of the works and the diversion route.

For up to date information about the programme, please visit <https://one.network>. You can also follow us on Twitter via @HfdsStreets and Facebook via Herefordshire Highways. To assist in the completion of the work please do not park on the road or verge within the works area. This will help to ensure that the work is not delayed.

Disruption will be kept to a minimum and access will be given to emergency vehicles at all times.

Although there may be limited periods of time when access to homes, businesses or other premises will not be possible at all or may be restricted, to ensure your safety and that of workers, we will do everything we can to assist.

Plan ahead. If you know of specific dates or times when essential access is needed, for example if you are a carer visiting someone at home or are moving house, please call our Customer Service team on 01432 261800 well in advance of the works starting.

During work: If something happens that means you need access and you have not already spoken to us, you can get help and guidance from designated marshals who are on site.

To find out whether a bus route is affected by the closure please check on Herefordshire Council's website or check with the individual bus company directly.
